When the plant survey for poultry or rabbit grading has been completed and approved in accordance with the regulations in this part, service may be installed.

§ 70.35 Rejection of application.

Any application for grading service may be rejected by the Administrator (a) whenever the applicant fails to meet the requirements of the regulations prescribing the conditions under which the service is made available; (b) whenever the product is owned by or located on the premises of a person currently denied the benefits of the Act; (c) where any individual holding office or a responsible position with or having a substantial financial interest or share in the applicant, is currently denied the benefits of the Act, or was responsible in whole or in part for the current denial of the benefits of the Act to any person; (d) where the Administrator determines that the application is an attempt on the part of a person currently denied the benefits of the Act to obtain grading service; (e) whenever the applicant, after an initial survey has been made in accordance with § 70.34, fails to bring the grading facilities and equipment into compliance with the regulations within a reasonable period of time; or (f) notwithstanding any prior approval whenever, before inauguration of service, the applicant fails to fulfill commitments concerning the inauguration of the service. Each such applicant shall be promptly notified by registered mail of the reasons for the rejection. A written petition for reconsideration of such rejection may be filed by the applicant with the Administrator if postmarked or delivered within 10 days after receipt of notice of the rejection. Such petition shall state specifically the errors alleged to have been made by the Administrator in rejecting the applica-

§ 70.36 Withdrawal of application.

Any application for grading service may be withdrawn by the applicant at any time before the service is performed upon payment by the applicant, of all expenses incurred by the Service in connection with such application.

§ 70.37 Order of service.

Grading service shall be performed, insofar as practicable and subject to the availability of qualified graders, in the order in which applications therefor are made, except that precedence may be given to any application for an appeal grading.

§ 70.38 Suspension or withdrawal of plant approval for correctable cause.

(a) Any plant approval given pursuant to the regulations in this part may be suspended by the Administrator for (1) failure to maintain grading facilities and equipment in a satisfactory state of repair, sanitation, or cleanliness; (2) the use of operating procedures which are not in accordance with the regulations in this part; or (3) alterations of grading facilities or equipment which have not been approved in accordance with the regulations in this part.

(b) Whenever it is feasible to do so, written notice in advance of a suspension shall be given to the person concerned and shall specify a reasonable period of time in which corrective action must be taken. If advance written notice is not given, the suspension action shall be promptly confirmed in writing and the reasons therefor shall be stated, except in instances where the person has already corrected the deficiency. Such service, after appropriate corrective action is taken, will be restored immediately, or as soon thereafter as a grader can be made available. During such period of suspension, grading service shall not be rendered. However, the other provisions of the regulations pertaining to

(c) If the grading facilities or methods of operation are not brought into compliance within a reasonable period of time as specified by the Administrator, he shall initiate withdrawal action pursuant to the Rules of Practice Governing Withdrawal of Inspection and Grading Service (7 CFR part 1, subpart H), and the operator shall be afforded an opportunity for an oral hearing upon his written request in accordance with such Rules of Practice, with respect to the merits or validity of the withdrawal action, but any suspension shall continue in effect pending the outcome of such hearing unless otherwise ordered by the Administrator. Upon withdrawal of grading service in an official plant, the plant approval shall also become terminated, and all labels, seals, tags, or packaging material bearing official identification shall, under the supervision of a person designated by the service, either be destroyed, or the official identification completely obliterated, or sealed in a manner acceptable to the service.

(d) In any case where grading service is withdrawn under this § 70.38, the person concerned may thereafter apply for grading service as provided in §§ 70.30 through 70.37 of these regulations.

Payment for the full cost of the grading service rendered to the applicant shall be made by the applicant to the Agricultural Marketing Service, U.S. Department of Agriculture (hereinafter referred to as "AMS"). Such full costs shall comprise such of the items listed in this section as are due and included in the bill or bills covering the period or periods during which the grading service was rendered. (1) A charge for the salary and other costs, as specified in this paragraph, for each grader while assigned to a plant, except that no charge will be made when the assigned grader is temporarily reassigned by AMS to perform grading service for other than the applicant. Base salary rates will be determined on a national average for all official plants operating in States under a Federal Trust Fund Agreement where Federal graders, State graders, or a combination of Federal and State graders are used, by averaging the salary rates paid to each Federal or State grader assigned to such plants. Charges to plants are as follows:

(i) For all regular hours of work scheduled and approved as an established tour of duty for a plant, the regular rate charge will be made. The regular rate charge will be determined by adding an amount to the base salary rate to cover the costs to AMS for such items as the Employer's Tax imposed under the U.S. Internal Revenue Code (26 U.S.C.) for Old Age and Survivor's Benefits under the Social Security System, retirement benefits, group life insurance, severance pay, sick leave, annual leave, additional salary and travel costs for relief grading service, accident payments, certain moving costs, and related servicing costs.

(ii) All hours worked by an assigned grader or another grader in excess of the approved tour of duty, or worked on a nonscheduled workday, or actually worked on a holiday in excess of the tour of duty, will be considered as overtime. The charge for such overtime will be 150 percent of the grader's base salary rate.

(iii) For work performed on a holiday which is within the established tour of duty approved for a plant, the added charge will be the same as the grader's base rate.

(iv) For work performed between 6 p.m. and 6 a.m., night differential charges (for regular, overtime, or holiday hours worked during this period) will be at the applicable rates established plus 10 percent of the base rate.

(v) For work performed on Sunday, Sunday differential charges (for regular, overtime, or holiday hours

Agricultural Marketing Service, USDA

worked on Sunday) will be at the applicable rates established plus 25 percent of the base rate.

(vi) For all hours of work performed in a plant without an approved tour of duty, the charge will be one of the applicable hourly rates in § 70.71.

(2) An administrative service charge equal to 25 percent of the grader's total salary costs. A minimum charge of \$260 will be made each billing period. The minimum charge also applies where an approved application is in effect and no product is handled.

(b) *Other provisions.* (1) The applicant shall designate in writing the employees of the applicant who will be required and authorized to furnish each grader with such information as may be necessary for the performance of the grading service.

(2) AMS will provide, as available, an adequate number of graders to perform the grading service. The number of graders required will be determined by AMS based on the expected demand for service.

(3) The grading service shall be provided at designated locations and shall be continued until the service is suspended, withdrawn, or terminated by:

- (i) Mutual consent;
- (ii) Thirty (30) days' written notice by either the applicant or AMS specifying the date of suspension, withdrawal or termination;
- (iii) One (1) day's written notice by AMS to the applicant if the applicant fails to honor any invoice within thirty (30) days after date of invoice covering the cost of the grading service; or
- (iv) Action taken by AMS pursuant to the provisions of § 70.38 or § 70.40.

(4) Graders will be required to confine their activities to those duties necessary in the rendering of grading service and such closely related activities as may be approved by AMS: *Provided*, That in no instance may the graders assume the duties of management.

(5) When similar nonresident grading services are furnished to the same applicant under part 55 or part 56 of this chapter, the charges listed in this section shall not be repeated.

7 CFR Ch. I (1-1-01 Edition)

APPEAL OF A GRADING OR DECISION

§ 70.100 Who may request an appeal grading or review of a grader's decision.

An appeal grading may be requested by any interested party who is dissatisfied with the determination by a grader of the class, quality, quantity, or condition of any product as evidenced by the USDA grademark and accompanying label, or as stated on a grading certificate, and a review may be requested by the operator of an official plant with respect to a grader's decision on any other matter relating to grading in an official plant.

§ 70.101 Where to file an appeal.

(a) *Appeal from resident grader's grading or decision in an official plant.* Any interested party who is not satisfied with the determination of the class, quality, quantity, or condition of product which was graded by a grader in an official plant and has not left such plant, and the operator of any official plant who is not satisfied with a decision made by a grader or any other matter relating to grading in such plant, may request an appeal grading or review of the decision by filing such request with the grader's immediate supervisor.

(b) *All other appeal requests.* Any interested party who is not satisfied with the determination of the class, quality, quantity, or condition of product which has left the official plant where it was graded, or which was graded other than in an official plant, may request an appeal grading by filing such request with the regional director in the area where the product is located or with the Chief of the Grading Branch.

§ 70.102 How to file an appeal.

Any request for an appeal grading or review of a grader's decision may be made orally or in writing. If made orally, written confirmation may be required. The applicant shall clearly state the reasons for requesting the appeal service, and a description of the product or the decision which is questioned. If such appeal request is based on the results stated on an official certificate, the original and all available

Agricultural Marketing Service, USDA

§ 70.110

copies of the certificate shall be returned to the appeal grader assigned to make the appeal grading.

§ 70.103 When an application for an appeal grading may be refused.

When it appears to the official with whom an appeal request is filed that the reasons given in the request for an appeal grading are frivolous or not substantial, or that the quality or condition of the product has undergone a material change since the original grading, or that the original lot has changed in some manner, or the Act or the regulations in this part have not been complied with, the applicant's request for the appeal grading may be refused. In such case, the applicant shall be promptly notified of the reason(s) for such refusal.

§ 70.104 Who shall perform the appeal.

(a) An appeal grading or review of a decision requested under § 70.101(a) shall be made by the grader's immediate supervisor or by a licensed grader assigned by the immediate supervisor other than the grader whose grading or decision is being appealed.

(b) Appeal gradings requested under § 70.101(b) shall be performed by a grader other than the grader who originally graded the product.

(c) Whenever practical, an appeal grading shall be conducted jointly by two graders. The assignment of the grader(s) who will make the appeal grading requested under § 70.101(b) shall be made by the regional director or the Chief of the Grading Branch.

§ 70.105 Procedures for appeal gradings.

(a) When all of the originally graded and identified samples are available, the appeal sample shall consist of such samples plus an equal number of samples.

(b) When the original samples are not available, the appeal sample size for the lot shall consist of double the samples required in § 70.80.

(c) Poultry or rabbits in an unfrozen state must be adequately protected and kept in good condition until the appeal grading is performed.

(d) Overwraps on frozen poultry or rabbits shall be removed from all birds

or rabbits in the sample prior to appeal grading for quality or to determine the class.

(e) When the appeal is based on grading or class determination factors, each frozen carcass shall be defrosted prior to conducting the appeal grading. Whether defrosting poultry or rabbit carcasses for other types of appeals will be required by the appeal grader, will depend upon the reason for the appeal.

§ 70.106 Appeal grading certificates.

Immediately after an appeal grading is completed, an appeal certificate shall be issued to show that the original grading was sustained or was not sustained. Such certificate shall supersede any previously issued certificate for the product involved and shall clearly identify the number and date of the superseded certificate. The issuance of the appeal certificate may be withheld until any previously issued certificate and all copies have been returned when such action is deemed necessary to protect the interest of the Government. When the appeal grader assigns a different grade to the lot, the existing grademark shall be changed or obliterated as necessary. When the appeal grader assigns a different class or quantity designation to the lot, the labeling shall be corrected.

SANITARY REQUIREMENTS, FACILITIES, AND OPERATING PROCEDURES

§ 70.110 Requirements for sanitation, facilities, and operating procedures in official plants.

(a) The requirements for sanitation, facilities, and operating procedures in official plants shall be the applicable provisions stated in 9 CFR part 381 for poultry, and for rabbits the requirements shall be the applicable provisions stated in 9 CFR part 354.

(b) With respect to grading services, there shall be a minimum of 100-foot candles of light intensity at grading stations; and acceptable means, when necessary, of maintaining control and identity of products segregated for quality, class, condition, weight, lot, or any other factor which may be used to
